Date of Event : 19th March 2021

Participants : I Semester Students (2020-2021)

Resource Person: **Sujith Bharadwaj R, Assistant Professor, AMC College**

Purpose of Event :

House keeping workshop (to create awareness on the ongoing trends of interior decoration which includes , towel art presentation, handicrafts ,oil pastel colour drawing and room layout itself.

Theme : Heaven Room

About the event :

Shiny wizards is all about the effective tools of designing which is the part of modern housekeeping techniques. The event included guest room model display towel art presentation , handicraft presentation and oil pastel colour drawing .

The guest room model is named as “**Studio Gloria**” . The room was planned with required furniture and fixtures and also with the lighting system. It as great learning for the students which improves their skills in terms of layout planning.

Towel Art also called as towel sculptures or towel origami is done for hotel guests by professional housekeepers. The trend is common at popular resorts and cruise liners. In todays event the towel art included Elephant , Swans monkey and a flower.

Oil Pastel colour drawing included 3 presentations named as “Lunar Eclairs” – looks like the moon complimenting the tree , “The Setting Dawn” - looks like a tree relaxing during the sunset and “Crazy Butterfly” – a magnificent view of butterfly.

Handicraft presentation included bulb painting, flower vase, wall hangings and a dream catcher – a wall hanging which is believed to shower only good dreams and absorb the bad dreams.

All these tools of designing act as wizards and bring shine for the house keeping department and can be called as SHINY WIZARDS.
